

Parent Guide for Remote Instruction 3-12

Special Areas

In grades 3-12, special teachers will provide a remote learning activity in Google Classroom.

Special Education

IST teachers will communicate with families via email regarding any plans for the day

- HCA will notify families of a Remote Learning Day via One Call Now
- Your student should log in to Google Classroom to access assignments
- Assignments will be posted at 8AM by the teachers
 - Assignments are to be submitted via Google Classroom by 3:00pm unless otherwise instructed by the teacher
- All teachers will be available through email or Google chat to answer questions

Parent Guide for Remote Instruction PreK-2

- Students in grade Prek-2 will receive Remote Learning Packets
- Students should complete the daily assignments in the packet
- All assignments are due to the teacher upon returning to school
- To be marked present for the remote learning day all assignments must be turned in

Attendance Procedures:

To confirm daily attendance on Remote Learning Days, students in grades 3-12 will need to check in via Google Classroom with each of their teachers and complete any assigned coursework. Students in grades Prek-2 should check in via Class Dojo. Students who fail to check-in and complete assignments will be marked absent. If your child is sick and cannot complete the assignments you must email the office & Homeroom teacher.
